CLARE CHURCH OF THE NAZARENE (CCN) 2023

Let your life and your arrow
be on target

IS THIS JUST FOR RETURN SHOOTERS?

NO! This is for all 4th–12th grade students interested in the instruction and directions needed to learn the basics of safe archery.

Our return shooters will be extending their range and fine tuning their skills. Those who are interested can start preparing for a Centershot tournament that takes place in the summer at the Bambi Lake Baptist Camp. (Date to be set later this year.)

WHY ARCHERY?

That is simple, archery levels the playing field. Everyone can shoot archery, from young to old, whole families are coming together to enjoy a skill they can do together.

It can be competition, hunting practice, or just a relaxing activity to enjoy with your friends. It is a skill you can enjoy the rest of your life.

IT'S FUN!

WHAT IS IT LIKE?

CCN provides all the equipment, Trained and certified instructors, and a safe facility for young people to learn the eleven steps to archery success for target archers. Along with these 11 steps, students will learn the safety rules that have kept archery one of the safest activities students take part in.

Centershot sessions are set up to meet on Tuesday evenings for eight weeks at CCN located at 10160 W. Grant Ave, Clare, MI.

Students will learn that they need self discipline to be a successful archer. This same self discipline will also help them be successful in other areas of their life, and in their relationship with Jesus Christ.
