

Hello Car Show friends,

SHOW CHANGES FOR 2024!

1. Registration will open at 9:00am rather than 8:00am. Being mid September this eliminate so many driving in the dark to our show who want to their early. Remember 9:00am this year and not 8:00am!
2. Our front row of cars will be turned around facing into the show rather than pointing out towards the road. Agree, you spoke and we listen.

LOOKING FOR A SKETCH/WATER COLOR ARTIST: I would love to find someone who could come to our show, walk around and sketch or water color vehicles with owners for a fee. I have no idea what all would be involved but I think people might want to purchase a print of their vehicle drawn right on the grounds. I see folks doing this at fairs sometimes. Know of anyone? Let me know.

VINTAGE CAMPERS! As many of you know Vintage campers have always been a huge part of this show. Something unique to CCN Car Show. Owners of these vintage campers love to take visitors on tours and talk about their camper. Know anyone who has a vintage camper make sure they come to our show in September. All campers can have the option of camping at property for the weekend free.

JAKE SLATER (ELVIS) TO RETURN! Jake Slater entertained our show last year with 90 minutes of his Elvis songs. Hundreds of people filled our staging area as the songs from the 50s, 60s and 70s just rang out. If you have never heard Jake you've got to hear him!!

WE ARE LOOKING FOR UNIQUE VEHICLES! Bat mobile, monster truck, race cars etc. Do you know of any special vehicles we could contact? Send any contact information to me.
